Town to Begin Construction of Dune Crossovers

The Town has taken bids for the construction of two crossovers on NC 12. One crossover will be constructed at E. Kitty Hawk Road and one will be constructed at Lillian Street. Construction on the crossovers is to begin on or about April 10th and both should be completed by Memorial Day. The cost of the construction is \$52,700, which is being paid for by a grant from the North Carolina Department of Environment and Natural Resources and the Sand Fence Fund from Dare County. Lynn Small Incorporated will be doing the work for the Town.

While the crossovers are being constructed, we are asking residents to use the temporary accesses that will be placed near the crossovers.

Should you have any questions in this regard, you can contact Town Hall at 252-261-3552.

Town Council Meeting Summary

Town Council met on Tuesday, April 2, 2013. At their meeting Jim Snyder of Outer Banks Sporting Events discussed the work of his group, including the Flying Pirate Half Marathon and the Outer Banks Marathon. Mr. Snyder outlined the economic impact these events have on our community and presented the 2013 official print to the Town. In addition, two groups from First Flight High School made presentations to Council as part of their Civics class – Making a Difference in the Community.

Town Council also scheduled two Public Hearings one to discuss a proposed amendment to increase the allowable number and size of neon “Open/Closed” signs and a second for a conditional use permit to establish four (4) wind turbines as part of an electric public utility research project on the Dominion NC Power property at 5300 The Woods Road.

Town Council approved an amendment to the Town Code to prohibit the use of sky lanterns. A sky lantern is a small hot air balloon made of paper with an opening at the bottom where a small fire is suspended that allows the balloon to ascend. In recent years, there has been growing concern among communities about their potential to cause crop or building fires.

Town Council also awarded bids to Lyn Small, Inc. to construct Beach Walkovers for East Kitty Hawk Road and Lillian Street.
